

SR-68, 500 South Open House Comment Form

Name (optional): _____

Address (optional): _____

Now that the project team has outlined possible build alternatives, we want your comments on them. Please answer the following questions to help the project team better understand your concerns.

Build Alternatives

110-foot right-of-way width with a Meander Alignment

(2 lanes in each direction, 14-foot median, 12-foot shoulders, 4.5-foot park strip, 4-foot sidewalk)

What types of positive/negative impacts would this alternative have (i.e. travel patterns, property, access, business, etc.)

What recommendations would you make for this alternative?

Build Alternative Option

94-foot Right-of-Way option between 700 West and 800 West

(2 lanes in each direction, 14-foot median, 4-foot shoulders, 4.5-foot park strips, 4-foot sidewalks)

What types of positive/negative impacts would this alternative have (i.e. travel patterns, property, access, business, etc.)

What recommendations would you make for this option?

No Build Alternative

What types of positive/negative impacts would this alternative have (i.e. your travel patterns, access, etc...)

What recommendations would you make for this alternative?

Do you have any additional comments about the SR-68, 500 South Project?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
